SECTION 7.

[E 3928/3928/34]

No. 1.

Mr. Mallet to Sir John Simon.—(Received July 19.)

(No. 330.)

HIS Majesty's Chargé d'Affaires presents his compliments to His Majesty's Principal Secretary of State for Foreign Affairs, and has the honour to transmit herewith copy of a report by the acting military attaché on the subject of tribal situation in Kurdistan.

Tehran, July 1, 1933.

Enclosure in No. 1.

Tribal Situation in Kurdistan.

IT is reported that on the 6th June a body of Kurds, estimated at some 500 strong and said to be under the leadership of the first of Jafar Sultan's sons, descended upon the Malieh (Finance) Office at Pavah, near Javanrud, and stole the sum of 7,000 tomans, as well as 5,000 tomans which were lying there in connexion with the making of a new road. They also killed some fifteen Amnieh (road guards) and took away a quantity of food-stuffs.

On the 7th June one complete regiment left Kermanshah in commandeered transport for Pavah, while a further battalion went out on the 9th June. On representations to Tehran for reinforcements, the Bahadur Regiment of the 1st Infantry Brigade of the Central Garrison was sent to Kermanshah and arrived there on the 9th June.

2. Later reports stated that there were signs of the unrest spreading.

Sufi Beg, who, after a successful onslaught by Persian troops at the commencement of May, was separated from his followers and forced to flee into Iraq territory, is reported to be contemplating joining the rebel Kurds, and part of the reinforcements from the capital have been sent to Kuh-i-Bamu to locate and immobilise him and to detain the influential men in that district in order to prevent their co-operation with the rebels.

3. On the 10th June the Persian regular troops came into contact with the rebels, and in the engagement which followed twenty-five Government troops are reported to have been killed; the rebel casualties are not known.

4. A party of British and American travellers, however, proceeded through this district between the 21st and 26th June without seeing signs of undue military activity.

5. On the 24th June a report was received at Kermanshah that the raiders had taken refuge in Iraq territory.

6. On the 22nd June a further regiment, the Fauj-i-Hamleh, arrived in Kermanshah from Tehran and left the following day for the Kuh-i-Bamu district, apparently to relieve the Fauj-i-Bahadur.
