

Darwesh Maay

Written by Azad Karimi

God Almighty informed me that Reza Pahlavi has started a trip to the Arab countries of the Persian Gulf.

I also inform these countries that your investment on this person is fruitless. You pour the wheat seed on the stone.

But here is one important thing: Reza Pahlavi is a traitor. He is an accomplice with the Revolutionary Guards, which is a terrorist group. He took the oath of kingship in 1980 and according to the constitutional law of the Kingdom of Iran, he is the protector of Twelver Shi'a religion.

Therefore, you Sunni Arab countries want to preserve him by relying on Islam. Why did God inform me? The highest reason is that you are hostile to him and

his will. So he informed me, Mashiakh Sushanes, who am his faithful servant and supported by his merciful Izads, to REVEAL "YOUR PLOT" to the world. I also reveal this secret in the name of God the Creator and in the name of His great angels so that you cannot act against God and me and the fate and interests of the people of the world.

I am in my home in the east of Norway and I don't spend any money on lobbying and conspiracies behind the scenes, but God has given me a great power with which to do dominate the world stage the "power of truth". That great power is a direct connection to the source of his existence and inspiration.

Continue if you can! You mortals who have all the good facilities of this world in your hands, but you never know anything about the philosophy of life in this world. Because you don't recognize the rights of God, you don't recognize the rights of other people, and you don't understand anything about the nature of your rights in this world.

God's eye watches over the affairs of the world. I think you are scared enough. So be wise.

You are hostile to global interests because it was last week that my good friend Mr. Mike Pompeo, the former Secretary of State of the United States of America, said in a speech that Reza Pahlavi and his relatives are all working for the terrorist IRGC.

Of course, you also supported the Mojahedin Khalq group for many years. You also give a lot of support to Reza Pahlavi and his conspiring, ambitious and dangerous mother. You also support Akbar Hashemi Rafsanjani's group. You also support national religious groups. But you are enmity with me and my God.

Be aware, rich and corrupt Arab countries! You will never be able to defeat me and my God... You will soon pay a heavy price for these evil deeds of yours!
