Seeing Ms. Celine Dion in this video and the severity of her illness made me very sad.

Illness and healing are from God the Creator.

I ask for healing in the name of the Holy Spirit saved from reincarnation, Eli Khas, who flows in Ushidar, Anumaki Angels and co-borns.

Today I go to the house of God and pray for her and I ask my God, the creator God, who is the healer of sick souls and bodies, to heal this great and kind artist.

Please deliver my message to her:

Praise God the Creator and take refuge in Him... Remove fear so that the ways of healing will open for you.

Illness, healing and death are in the process of life and belong to all living things. Consider yourself worthy of God's mercy so that the joy of healing and the pride of God's mercy will manifest for you.

Through the intercession and guarantee of one of the 15 people, and in the name of God the Creator, Amen!
