My good friend Fares Chanteur, the Amazigh-speaking singer from Tizi-Ozou, Algeria, informed me about this music video.

I watched and enjoyed.

Fares is an artist from Amazigh culture. Amazigh language is not Arabic, this ancient language is the modern version of Carthage speaking.

Carthage was a strong and amazing civilization in North-West of Africa.

Ok, Farse lives in Paris- France.

Congratulations to dear Fares! good luck my friend!

Please watch this beautiful song and clip and enjoy.
