

# Rufia

Written by Azad Karimi

I was surprised to see this photo tonight.

Rufia was a very famous actress in the fifties and sixties in Iran. She is originally Turk from Tabriz.

This photo of her wearing the clothes of Kurdish women in Mukarian region (Mahabad, Bukan, Saqez, Shno, Piranshahr, Baneh and Sardasht) is very interesting.

Of course, there was another picture of her with a different face picking flowers, which was almost in most of the houses of the citizens of Kurdistan forty or fifty years ago.

Rufia died last year on August 16, 2023. She was very beautiful in her youth and middle age.

Rest in Peace!
