

# Zllekha Pjdari

By Azad Karimi

Zllekha Pjdari was a Kurdish folklore singer and Dmekzan.

She born in the 1942 and deid in 2005.

She sang rural and nomadic songs. Nomadic or Kocheri songs are a group of Kurdish folklore songs that were sung by the nomadic and they are very diverse. There are also many country songs. Classical and urban Kurdish songs are another part of Kurdish music.

She was a Dmak artist.

Dmak is a type of percussion instrument that is played with the claws of the hand.
